RMC MANAGEMENT CONSULTING COURSE

Introduction:

IMC Singapore is Enterprise Singapore-Recognized certification programme for management consultants aligned to TR 43:2015 Management Consultants Technical Reference. It has been put together by Certified Managements Consultants from the Institute of Management Consultants (Singapore), a non-profit organization, with the objective to recognize skills, knowledge and competency in the field of management consultancy, and promote high standards of professional and ethical conduct by Registered Management Consultants of the management consulting profession.

The RMC is a mark of quality and professionalism developed by Certified Management Consultants for Management Consultants in Singapore. This course is also meant for professionals and managers who wish to gain knowledge in Management Consulting methodologies and practices to improve their diagnostic and analytical skills to enhance their work performance in organisations.

Course Objectives:

The RMC Management Consulting Course is specially designed to:

1. Equip participants with the basic skills, methodologies, and practices of professional management consulting.
